## **GENESIS ENERGY, L.P. ANNOUNCES INCREASE IN DISTRIBUTION TO \$0.23**

July 26, 2007 (Houston, TX)– Genesis Energy, L.P. (AMEX:GEL) announced today that it will pay a regular quarterly distribution of \$0.23 per Common Unit on August 14, 2007, to Common Unitholders of record at the close of business on August 6, 2007. This distribution represents an increase of approximately 5% over the May 2007 distribution of \$0.22 and an increase of approximately 21% over the August 2006 distribution of \$0.19. This is the eighth consecutive quarter in which Genesis has increased the distribution by \$0.01 per unit.

Genesis Energy, L.P. is a diversified midstream energy master limited partnership headquartered in Houston, Texas. Genesis engages in four business segments. The Pipeline Transportation Division is engaged in the pipeline transportation of crude oil and, to a lesser extent, natural gas and carbon dioxide. The Refinery Services Division primarily processes sour gas streams to remove sulfur at refining operations, principally located in Texas, Louisiana, and Arkansas. The Logistics and Supply Division is engaged in the transportation, storage and supply of energy products, including crude oil and refined products. The Industrial Gases Division produces and supplies industrial gases such as carbon dioxide and syngas. Genesis' operations are primarily located in Texas, Louisiana, Arkansas, Mississippi, Alabama, and Florida.
