**GENESIS ENERGY, L.P. TO PRESENT AT MASTER LIMITED
PARTNERSHIP INVESTOR CONFERENCE MAY 22, 2008**

Houston – May 20, 2008 – Genesis Energy, L.P. (AMEX:GEL) announced today that Grant E. Sims, CEO, will make a scheduled presentation at the 2008 Master Limited Partnership Investor Conference beginning at 1:15 p.m. (EDT) on Thursday, May 22, 2008, in New York City.

Beginning May 22, a copy of the slide presentation will be available on the Partnership's website at www.genesiscrudeoil.com under Investor Relations – Partnership Presentations. The presentation will also be web cast live at <http://www.wsw.com/webcast/napt/gel/>.

Genesis Energy, L.P. is a diversified midstream energy master limited partnership headquartered in Houston, Texas. Genesis engages in four business segments. The Pipeline Transportation Division is engaged in the pipeline transportation of crude oil and, to a lesser extent, natural gas and carbon dioxide. The Refinery Services Division primarily processes sour gas streams to remove sulfur at refining operations, principally located in Texas, Louisiana, and Arkansas. The Supply and Logistics Division is engaged in the transportation, storage and supply of energy products, including crude oil and refined products. The Industrial Gases Division produces and supplies industrial gases, such as carbon dioxide and syngas. Genesis' operations are primarily located in Texas, Louisiana, Arkansas, Mississippi, Alabama, and Florida.
