**GENESIS ENERGY, L.P. TO PARTICIPATE IN PANEL DISCUSSION AT RBC
CAPITAL MARKETS MLP CONFERENCE NOVEMBER 21, 2008**

Houston – November 19, 2008 – Genesis Energy, L.P. (AMEX:GEL) announced today that Grant E. Sims, CEO, will participate in a panel on capital markets at the RBC Capital Markets MLP Conference beginning at 12:30 p.m. (CDT) on Friday, November 21, 2008, in Irving, Texas. Interested parties can listen to a live audio webcast at <http://www.wsw.com/webcast/rbc94/panel12/> and download the Partnership's latest presentation materials by visiting the Partnership's website at <http://www.genesisenergylp.com> under Investor Relations – Partnership Presentations.

Genesis Energy, L.P. is a diversified midstream energy master limited partnership headquartered in Houston, Texas. Genesis engages in four business segments. The Pipeline Transportation Division is engaged in the pipeline transportation of crude oil and, to a lesser extent, natural gas and carbon dioxide. The Refinery Services Division primarily processes sour gas streams to remove sulfur at refining operations, principally located in Texas, Louisiana, and Arkansas. The Supply and Logistics Division is engaged in the transportation, storage and supply of energy products, including crude oil and refined products. The Industrial Gases Division produces and supplies industrial gases, such as carbon dioxide and syngas. Genesis' operations are primarily located in Texas, Louisiana, Arkansas, Mississippi, Alabama, and Florida.
