**GENESIS ENERGY, L.P. TO PRESENT AT NAPTP MLP INVESTOR
CONFERENCE MAY 12, 2010**

Houston – May 11, 2010 – Genesis Energy, L.P. (AMEX:GEL) announced today that Grant E. Sims, CEO, will make a scheduled presentation at the National Association of Publicly Traded Partnerships 2010 MLP Investor Conference beginning at 2:45 p.m. (EDT) on Wednesday, May 12, 2010, in Greenwich, CT.

Beginning May 12, a copy of the slide presentation will be available on the Partnership's website at www.genlp.com under Investor Relations – Partnership Presentations. The presentation will also be web cast live at <http://wsw.com/webcast/napt3/gel/>.

Genesis Energy, L.P. is a diversified midstream energy master limited partnership headquartered in Houston, Texas. Genesis engages in operations in four business segments. The Pipeline Transportation Division is engaged in the pipeline transportation of crude oil and, to a lesser extent, natural gas and carbon dioxide. The Refinery Services Division primarily processes sour gas streams to remove sulfur at refining operations, principally located in Texas, Louisiana, and Arkansas. The Supply and Logistics Division is engaged in the transportation, storage and supply of energy products, including crude oil and refined products. The Industrial Gases Division produces and supplies industrial gases, such as carbon dioxide and syngas. Genesis' operations are primarily located in Texas, Louisiana, Arkansas, Mississippi, Alabama, and Florida.
